Thread: [\[Everyone\] - Undetected Overwatch Triggerbot \(Improved\)](#)

EkstroFlekso - June 10, 2018, 9:03 am

I noticed this bot on another forum, decided to slightly improve it since it was open sourced and pixel based, also completely undetected which is logic because the tool doesn't use any kind of mouse events, repetitive playstyle or injections.

The Triggerbot is pretty accurate and worth using to improve your playstyle.
