Thread: [The lounge isn't the lounge anymore :/](#)

crown - June 12, 2018, 1:34 am

honestly with all this new reputation updates, the lounge hasn't really had a real topic on it in a while.

anyone else care or am i the only one, cause now it's all filled w/ r4r.

I hope we sooner or later end all the threads, idk what omni expected.

This shit will blow over in a week or two.

Eagle 95 - June 12, 2018, 1:37 am

It'll settle down within few days when people get tired of it.

crown - June 12, 2018, 1:38 am

I hope so, I doubt omni will make a subgroup but sooner or later he's going to warn ppl for spam tbh.

There is probably gonna be a roll back and everyone will probably have their rep back. I hope Omni is doing this for fun and then get things back to normal.

I'm going to start a 0.15 cent l33t/0.30 ub3r/0.60 r3kt thread for -rep later.

At this point there might as well be a REP4REP section
