Thread: [Vitani's Mate "special" Reputation shop, waste your shitty money here!](#)

Vitani's Mate - June 12, 2018, 2:53 am

Hi, welcome to my special rep shop where you will get from an ex most repped member on HF. (4700+ rep) and member with the most posts currently on site.

Price:

1 rep point is \$100 each. :D

2 rep points is \$200

3 rep points is \$300

and 4 rep points is \$400

I have given out all those 25 first reps as vouch copies.

I need money right now. When I am out of rep, you have to pre-order.

I will add you to notepad, so please wait.

Just PM me.

I take BTC.

If you're actually serious about spending money on rep.

Will update thread more. I will have to make this a sticky and get a tag.

Pretty fair prices, good luck with sales lol

Careful your not just turning into a LQ poster now? these threads are fine for the lounge but im not sure why you made this comical thread in the marketplace where proper business is being conducted?

Seems like you need to think before you post a little, no point having 80k posts if its just LQ, oh wait maybe you are selling 3 rep for \$300 and there is no joke behind your thread... -_-

SH?D? - June 12, 2018, 4:17 am

Well I hope this works out for ya

TheChi?f - June 12, 2018, 4:21 am

This shits so hilarious I died...

imagine if the transition to this was quicker, like old rep system, just immediately governed by the current rules.
