Thread: [Ub3r Application Rep Requirement](#)

Omniscient - June 12, 2018, 12:48 pm

To apply for Ub3r you previously needed 25 reps to apply. You now need 100. This adjustment takes into consideration new site policies concerning reputation.

Thank you.

Chomped - June 12, 2018, 12:49 pm

Awesome, thanks for updating this now that rep is easily obtained.

Mr Kewl - June 12, 2018, 12:54 pm

Very fair I guess, its harder for for Normal, L33t members to earn reputation, gaining 100 would be a good task in itself.

D?ceived - June 12, 2018, 12:55 pm

Nice little changer here, good job!

?heshire - June 12, 2018, 12:55 pm

Sounds like a great idea to be honest.

Saltpeter - June 12, 2018, 1:00 pm

I was wondering about this since the daily reputation increase. Seems like a sensible amount to me.

Vitani - June 12, 2018, 1:01 pm

This is definitely a good thing since getting your hands on rep will be much easier for newer members now.

Charger - June 12, 2018, 1:02 pm

Seems appropriate.

Any plans for r3kt?

Edit: nvm, saw the other thread.

Seeing as rep is a lot easier to get now this makes sense.

wit - June 12, 2018, 2:09 pm

Seems like a good move forward.

Omni, I definitely agree. Thank you for the updates!

Punisher - June 12, 2018, 5:46 pm

In the spirit of wiping the slate clean so to speak - can we wipe the perma-denied list? :D

Pretty please!

???? - June 12, 2018, 5:53 pm

Out of all of these new changes, I actually agree with this one. Might make the group a little more high quality or something.

SkipTheDishes - June 13, 2018, 3:07 am

Perfect, thank you for posting. I was struggling to get get 25, but at least I know I have a while before I can apply

Yin Yang - June 13, 2018, 4:53 am

Will the profile still be reviewed though? Like for HQ and activeness? Seems pretty easy to have that rep "boosted".

BITW - June 13, 2018, 5:10 am

Great. I have a Request. You should also Notify when someone Remove reputation from Our Profile If you can do it, please.

Many will remove the reps later if i am not wrong.

Cheers

Grim - June 13, 2018, 8:54 am

Seems like a good rule. I think it should be higher but at least it's something :)

elfemage - June 13, 2018, 8:57 am

And what if I already am applied? Before the new rules.

Omni mentioned something regarding new/pending/denied ub3rs

Now that rep is gone, the Ub3r process will be different- but not to worry. The playing ground is being leveled, and the people that were previously denied or permanently denied can possibly get another chance.

OGPaper - June 13, 2018, 10:32 am

100 rep seems like a hard af target to reach :S

SkipTheDishes - June 13, 2018, 4:13 pm

Ub3r applications are no longer a thing since the group is closed if I understand correctly?
