Thread: [\\$1000 Reputation Contest Partnership/Sponsorship](#)

SIM-1589588 - June 13, 2018, 2:51 am

Rep Contest Partnership Road to 1000+ Reps.

As reps can now be freely sold/given/asked, we've came up with the idea of hosting a mass contest, sponsored by a limited number of 25 sponsors.

Prize Pool:

The prize pool that has been decided so far, is \$1000. That makes it approximately \$40 per sponsor.

Odds:

To make the odds fair for every member participating, we've decided to split the prize pool by 10, making it \$100 per winner.

Terms:

Members belonging to the UB3R/R3KT/Mentor usergroup, will be able to use one day (25) of their reps to participate in the contest.

L33Ts who wish to join would have to split the 25 +reps over 3 days.

Once the contestant(s) have posted on the thread after completing their share of +reps, they will be assigned their respective post IDs as their raffle #.

Once we've hit a target of rep (to be decided) or a specified period of time, we will use Random.org to draw out the winners.

Multiple posts by members will not be allowed and this will be mentioned in the first post

Every winner's +reps will be individually checked whether they've actually repped the sponsors, if not, they will be disqualified before the prizes are distributed. Their prize will be redistributed to another winner.

Deletion of reps is also grounds for disqualification.

Projections:

Assuming the members who are active and wouldn't mind using a day of their reps, we could see approximately anywhere over 500+ rep to be gained by the sponsors taking part in the contest.

So why exactly did you make a new thread? It's exactly the same as the other one?

Not able to update thread with current sponsors list due to thread edit limits, which I have wasted due to some glitches in formatting.

TheChi?f - June 13, 2018, 3:08 am

Come join this, not a lot of spots left.

DamienVC - June 13, 2018, 4:24 am

Possibly only 7 spots left as Armada (may) cop spot #18.

SIM-1589588 - June 13, 2018, 4:57 am

This is a big opportunity for those members who want to stand out in the community along with trusted members and don't forget hundreds of participants will be checking out your profiles so if you are running any business etc or have business signatures. You'll be getting good traffic.

Space• - June 13, 2018, 11:35 am

Hey mate just thought to let you know, I'm not sure if this falls under that category but I think it should be asked before proceeding it might be a bit ban-fest if it's disallowed.

Yes and hopefully we'll be able to start the contest today.

Some people think reps don't have any value now but it's still a status symbol and just like some users are maintaining their awards they want to maintain their reputations too and nothing is wrong with that. Everyone wants to get recognised in the community and this massive contest is the biggest opportunity for them as hundreds of members will be watching you and will love you for sponsoring this contest.

TheChi?f - June 14, 2018, 1:41 am

Is this a \$800 contest or \$1000 contest?
