Thread: [ReLIFE OVA](#)

Can't believe this slipped by me, but if you guys loved ReLIFE but hated the gap in the story it left behind, you're in luck. They released 4 new episodes as an OVA.

Spoiler-but-not-spoiler: it's fantastic.

Was anyone else a fan of Relife?

I read the manga so I don't really feel like I missed anything watching the anime tbh

Either way it's a great story, I love'd it
