Thread: [eWhored \[\\$245\] from one person my first time !](#)

Vamure - June 14, 2018, 7:27 am

Not too sure how much of a brag this is ; compared to other threads on here haha. So basically I'm new to the whole "2018" eWhore scene

I've been searching for a mentor that doesn't try to ply 100\$+ from you just for simple help ; no luck I eventually took it into my own hands to find a method that worked for me

These are the results for a few hours from ONE PERSON

Nice work keep it up, do you plan on using the amazon GCs or selling them?

Mr. Corleone - June 14, 2018, 12:15 pm

Nice job on this haha. I used to e-whore and was so happy with my first \$20.

If you would like to work together with someone I'm available, this seems good.

I'm only doing ewhoring to pretty much have side cash while I go back to college ; so it's a 50/50 . Like I'm definitely gonna buy a new Xbox and shit before I start selling haha ?
