are you helping the dude i questioned to provide proof ? he should provide HIS proofs. the ones you posted i can inform the member now to edit and update that shit as i am not even aware of such shit thread.

and for you. here's your thread where you selling and lot of people you scammed.

<https://hackforums.net/showthread.php?tid=5834676&page=6> i guess you are forced to close it after scamming. stop using different account to make shit comment against me because you want to get clients. i am not begging for clients kid. i told op i can setup him one to test and see if he likes it. that doesn't sound me a scammer kid.
