I can do this for you
0 chance I'm going first with hf anymore and ppal
You must be able to send as f/f
I normally do 15% but the lowest I do is 10%
If you want a MM, that's fine with me.
Feel free to post or pm to lmk

might be best to agree to % before starting a new contract

Lol. It was already stated 10% because I personally would like to see 7-8% but lowest you will go is 10% then ill accept that.

Lol a quick and smooth transaction doesn't require me to send all this proof for you. Lmao. If you want a straight forward exchange then fine. But I have been here a long time and have had good rep around here.

I'm not even on a computer I'm using my phone so it's too much to screenshot and upload shit just to verify ownership. Lol
