Thread: [Upgraded to L33T but no message](#)

theflyboi - June 18, 2018, 2:36 am

Hi there, can someone give me the admin email because I upgraded my account to L33T but no one messaged me.

Why would someone message you? It's automated with possible few minute delay, you got the upgrade already.

ED:

OP is a troll, same thread from few months ago

Yeah, I plan on adding notifications when your upgrade happens but currently there isn't.
