xxxtentacion got killed in miami today (i think its confirmed by now)

but who remembers this song?

he spoke to the devil in miami and said everything would be fine

hmm doesnt look fine to me

rip x

with all the fake news going around the first thought that comes to everyone's mind after reading something like " [famous person] died " is: this must be a joke

unfortunately it happened im sure everyone was hoping he was alive..

it went from "no pulse? maybe just an overdose of drugs" to "confirmed dead" so quickly

dude really had so much potential to be one of the biggest artist in the game

Shorta - June 18, 2018, 8:15 pm

I dont know where to place myself rn

kushkaripordhi - June 18, 2018, 8:25 pm

It's clear that it exists tbh.

This shit is fucked.

Anyone can see this helped with people's depression. Sad to see him go.
