Aurora - June 19, 2018, 1:29 pm

I like to stick with the classic cheese and pepperoni. You can't go wrong with those toppings.

What toppings do you like on your pizza and what place do you buy your pizza from?

Bluffer - June 19, 2018, 1:32 pm

I can't imagine any person not liking pizza. Pizza is one of the most amazing things ever.

Last time I ordered this is what I got:

12" HAND TOSSED EXTRAVAGANZZA

Pizza Sauce, Extra Cheese, Pepperoni, Ham, Beef, Sausage, Onions, Green Pepper, Black Olives, Mushrooms

That's probably my favourite, loaded right up and is so good.

StarLightArcade - July 2, 2018, 12:34 pm

Who the hell doesn't like pizza?

FroStorm - July 2, 2018, 12:35 pm

I fuck with a meat lovers pizza cuz I'm a meat lover.

Has all the essential pizza meats.

Alex - July 2, 2018, 12:37 pm

Most likely no one has heard of any of the pizza places near me since I'm from Norway, but I buy my pizza from places like Pizzabakeren, Peppes, Dolly

My perfect pizza:

Extra cheese

Ham

Onions

I like it simple

LePotato - July 2, 2018, 12:44 pm

I work at Dominos in the UK. I try to switch it up with my staff meal every once in a while.

Right now, I am loving chicken and pineapple.

Lotsa chicken, lotsa pineapple.

It's yum as fuck. Don't judge.

I like the classical "Margherita" (so, only tomato sauce and mozzarella), but when I worked in a

pizza stand (yeah, my job was "pizza maker"), I made a "mod" of this classical pizza, adding wurstel, sausage, cheese (Pecorino Romano) and basil leaves... et voilà!!

It's as yummy as the classical Margherita ^^ however, I love the "four cheeses pizza" (quattro formaggi) too! Another kind of pizza that I love, is the "pizza with cooked ham, tomato sauce and mozzarella".

Yes, I'm a pizza lover!

Kvietys - July 11, 2019, 5:38 pm

Most of the time I do cook pizza myself and I feel like I could eat it everyday for the rest of my life.

I like it when there are a lot of different toppings. Most of the time I use tomato paste for bottom, then I add 2-3 different meats (sausages, pepperoni, cooked farce), sliced onions, some peppers, 2-3 different cheeses (mozzarella, parmesan) and a lot of pizza spices on top.
