You already know AOT is gonna be fire. Steins;Gate will be good. Not sure what to expect of Fate/Extra... Some other promising ones on the list as well. All in all, not disappointed.

FLCL is coming back? Fuck yeah. I'm excited for a few of these, love the Fate series and a few new ones look good. There's a few I recognize that will be great too.

Some look pretty decent. Lots of cool mecha titles I see.

I see a lot of good new titles this season, but I'm most excited for AoT!

Yuikoro - July 1, 2018, 1:35 pm

Not particularly interested in any of these except Overlord s3. I guess I'll just have to wait to see some previews or something
