Thread: [\[Ub3r\] 10x # Invites \(goodbye Netflix!\)](#)

Zlatane Ibrahimovique - June 21, 2018, 3:09 am

10x # Invites

is a platform so much better than Netflix.

Advantages:

[+] Movies and TV Series HUGE Collection

[+] No ads

[+] A lot cheaper

[+] Free Premium Trial for first 3 days

[+] INVITE-ONLY so not everywhere will be able to get an invite

How to Get Your Invite?

I have got 10 invites to offer to the first 10x users who post here. You need to be UB3R or L33T.

Post here and I will DM you with an invite.

Testimonials:

[+] This has replaced all other forms of streaming/watching anything in my house. It has pretty much all series as soon as it airs including Netflix, HBO, and all other similar networks. It also has all new movies as soon as it is released on Blu-ray or any payable version. So far all movies and TV series is high quality except for 1 outlier. Overall, for the money it is a great replacement to all other streaming services. Joshua Lewis
