LOOKING FOR A PARTNERSHIP?

Have you ever wanted to generate money through HackForums?
Have an idea but dont know how to create it?

I COULD HELP YOU CREATE IT!

PARTNERSHIP DESCRIPTION

- I'm looking for a new idea, This can be an Application or a website.
- You will be in charge of sales and support and I will create it.
- Split is 50/50

PARTNERSHIP REQUIREMENTS

- Must be an active Member.
- Good Level of customer support.
- Contactable Through Discord 9-5 GMT.
- A visionary with thoughts on ways to improve the software.

RichCrispy - June 22, 2018, 4:37 am

I believe I match all the requirements, and I do have some ideas in mind that are quite easy and could turn big profits if done correctly. If you are interested please PM!

Yell - June 22, 2018, 1:59 pm

I have a great idea in mind, loooking for the right person to help create a website/app for it. It involves sales/people posting things for sale. Similar to eBay. If you are able to create something like this please send me a PM.

AnOrdinaryGuy - June 23, 2018, 3:13 am

I have also a good idea. Pm me and we can discuss about it!

powerfullarmy - June 23, 2018, 3:51 am

You may select me.
