@Refr*eze

Previously had it set up for a nice food niche

*Fully secured and I am the only owner of this account

DM me on there or feel free to swing any of your offers on this post since I'm not looking for anything specific, but want this gone asap. Tbh I'm not even stressing about this anymore, I had it too long. I'll give it away for \$25 btc ?

Had these accounts for ages, not gonna lie, maybe 100 of them are botted, but you can check for yourself, the accounts look real. You have to take the name in consideration though. ?

I really wanna get rid of this, someone come buy it lmao

Billy - June 26, 2018, 11:09 am

Still have this, price is only \$25 btc, come grab it :)
