Thread: [Reputation reset](#)

**P.E.Investigations** - June 25, 2018, 3:31 am

I used to have 11 plus reputation points and today I saw that zero are left. It must have been reset. I am not aware that I violated any rules, nor was I notified or warned of some unwanted behavior. In fact, I have not used the forum much recently.

Can someone explain what could have happened? Thank you.
