Thread: [\[Updated Prices\] Steve's Award Shop - Rare Awards - Buy for Crypto or Bytes](#)

Steve - November 9, 2018, 10:53 pm

Award sales closed for now.

===

Hi all,

In an effort to help pay off school loans and other things I pay monthly for, I have decided to sell my awards. Over the years I have built up a nice collection of rare awards and I'm sure I have something you want! Take a look at my collection and lets make a deal ?

The prices are listed below, and some are also available on the [Award Market](#). Feel free to post an offer but I am aiming for the listed prices. All money is going toward school loans and other monthly bills.

- \$1000 - This is one of my favorite awards. There are currently only 5 in existence and will only ever be a maximum of 12 on the forum. This is a user sponsored award, which have often been sold for \$1000+. [Contract](#)

- \$1000 - Another user sponsored award. There will only ever be 10 on the forum.

- \$750 - \$500 - High quality non-buyable.

- \$750 - \$500 - High quality non-buyable.

- \$750 - \$500 - High quality non-buyable.

- \$750 - \$500 - High quality non-buyable.

- \$300 - \$200- Discontinued badass award!

- \$200 - \$150 - Unobtainable HF donation award.

- \$75 - \$50 - Unobtainable HF donation award.

- \$75 - \$50 - Unobtainable HF donation award.

- \$75 - \$50 - Unobtainable HF donation award.

- \$75 - \$50 - Unobtainable HF donation award.

- \$75 - \$40 - Lucky!

I thought about selling but I simply can't do it. It means way too much to me, so unless you have a ridiculous offer for it its not for sale.

I will be accepting BTC, ETH, and LTC. We will start a Contract, I will include my address in the terms of the Contract so you can send the funds. Once received I will put up the award for 1000 bytes (you will be reimbursed) on the Award Market and reserve it for you so you can purchase it. You go first and do not deal with anyone claiming to be me offsite.

Damn if I had enough for the Master Cheif that would be mine right now.

Bezo - November 10, 2018, 1:09 pm

Good luck with sales, Steve.

If I had the money I would go for the pokeball/the masterchief helmet :D

emotionull - November 10, 2018, 1:24 pm

Formant - November 10, 2018, 1:27 pm

The Master Chief helmet is the only award I actually really want. Still salty you have it lmao.

WageWolf - November 10, 2018, 3:10 pm

Sorry to hear you fell into the trap of SL's, but I hope that knowledge goes to use. I would love to cop some awards, but I simply am not in the right place to shell that much cash-out, currently. GLWS!

?BowmanBot? - November 10, 2018, 4:36 pm

You aren't selling the Mad Scientist?

Omni still didn't award me it for solving the prestige formula from last year.

Man I want that award.

Unkn0wnUs3r - November 10, 2018, 8:54 pm

I'm pretty much the only one who it is worth that much to which is why I will likely never sell it. Thank you ?

So I know I haven't been on here in a while, but have we started putting marketplace threads in the lounge?

Unless it is for NFA, paid stickies can be in any section.

Wish I could get the halo one so bad.

Raz Riverblade - November 13, 2018, 3:56 pm

Not trying to be a dick but didn't those unbuyable ones become buyable the moment you posted this thread?

Anyways good luck with sales and school!

Anyways good luck with sales and school!Yeah... even before the award market they were all "buyable", but that doesn't discount the value imo.

Zyptic - November 13, 2018, 8:46 pm

Didn't know you can sell awards? Been out of the loop for a bit.

Not being a dick at all. I meant it in a different context but I supposed you're right. I may change the wording when I get home.

And thank you for the good luck.

Someone offered \$100 for it before you replied.

I don't think I can sell it since it took me 9 years to get it from Omni. Also been almost 5 years since the last member recieved one I believe.

Abbaas - November 15, 2018, 1:56 pm

GLWS. Someday ill have some of thos awards

Enzo Ferrari - November 18, 2018, 9:22 am

I think your pokeball award is way to overpriced, people sell them for \$50-\$150 definitely not \$300

Steve - November 22, 2018, 5:50 pm

Reduced prices! Get them while you can and feel free to make an offer!

reBELLYus - December 8, 2018, 8:18 pm

Are these prices reduced now considering intrinsic value for all awards is not present?

Miro_ - December 9, 2018, 2:46 am

Steve could you text me a PM so we can get into discussion about a problem?

Can't do it due to limited amount of threats,

Thanks!
