Damn, this multi. I believe this is the second scam report I saw for his account. Hope it gets resolved, but I doubt it. Sorry for your loss.

You paid \$66 for a thread design? Message me I'll do one for free for you.. It won't be the best one ever but I want to help.. That's sad.

He's already scamming people with those prices.

I think this dude just ran off with my paypal lol, how long should I wait before filing a report??

Vyxn - June 27, 2018, 5:56 pm

I only make static but let me know if you want it to compensate your loss.

User is now online, let's wait for his side.
