Thanks for the offer but unfortunately at this time there will be no vouch copies. Instead, I am only looking to have REAL reviews from REAL buyers on the thread. In order to help speed the process for this, I have gone ahead and added a generous 25% off discount for a limited time.

Quite Funny Maxo, you want to go on my thread and trash talk

That's a US Savings account from CIBC here in Canada, maybe if you owned a bank before you would know you could open accounts for foreign currencies.

What confuses me is why Maxo Is asking for your bumps, also that you both use the Same bank but both your screenshots have inconsistencies.
