I'd be careful before dealing with this member, using fake purchases, vouchers & accounts in order to stimulate sales clearly:

Real transactions made on his thread:

Notice the order id format:

"xxxxxx-xxxx-xxxx-xxxx-xxxxxxxxxxx"

Now here is a look at a fake purchase from what seems to be chiefs friend/multi. Obviously this was one of the first posts too (posted literally 2 hours after thread was made)

FAKE PURCHASE:

Notice the transaction format? Lol.

Oh and of course, now he's profiting big money no problemo!

(Jun 21, 2018 09:13 PM)Adamant. Wrote: [\[CITE\]](#) Wow. Went to work with the method yesterday, did a little extra today and checked my account to see nearly \$1000. Transferred it all to my bank and going to have a good weekend. Huge vouch for this.

Deal at your own discretion.

HERE IS THE LINK TO THE FAKE POST (HE PROBS WILL GET HIS FRIEND/MULTI TO DELETE OR EDIT IT)

* If chief happens to claim that it was a paypal transaction then why do these separate transactions (one/both likely fake) have a different amount of characters (18 & 19). On paypal site it says

transaction id's are specifically 17 unique characters. And regardless if somehow it wasn't 17 characters why would those "purchases" have a different length from eachother.

Whatever that is, feel free to make a community alert. This is a community alert about chiefs fake proof.

Sadly members sometime have troubles getting transactions ID so sometimes they come from PayPal and sometimes they come from Rocketr.

Paypal: Transaction ID: 2AB031535V0126833 and

Rocketr: ae4598180b76

What a lame excuse, when you post a single gif of your "support chat" with your claimed to be customer il gladly shut this thread down!

It's not allowed. I think for this kind of stuff Omni can close an account. He said like 5-6 month ago

no fake vouches and no buddy bumping and stuff.

I think I'll go ahead and pass this over to omni.

I posted my PayPal ID not my Rocketr one, nice lie u idiot. My earnings are real and Chief is my mentor, just delete this thread your a fool

Not taking any sides here but you seem to be misguided or on a complete wrong foot. Sellers who sell on autobuy store always come across people who aren't familiar with these autobuy stores so they sometimes post their Transaction ID instead of the ORDER id (provided by autobuy store)

Not taking any sides here, but Chief has been here since 2010... if this was a issue im pretty sure Omni would have handled it by now.

TwisteD - June 27, 2018, 1:58 am

Not saying Chief is or isnt doing it.. But 99% of ebook sellers just bullshit, overhype, fake vouch, buddy bump, etc. Its literally almost ALL bullshit. Why would anyone sell a method that makes so much money. Its cause they only make the money selling recycled shit. Word of advice to anyone reading this, don't buy any ebooks.

xxxdiesel - June 27, 2018, 2:05 pm

look at any of his threads. u can tell all fake vouches just by the timing they are posted. if he gonna ask for fake vouches at least should spread out the posting time to make look legit

Crystallize. - June 27, 2018, 4:23 pm

Nothing new.

Vyrez, Chief, and few others I dont want to mention have been exposed multiple times running a fake vouching network.

This might be the most retarded post on this thread.

^ He's mad that he gets scammed 5 times daily and lives in a shithole 3rd world country.

OP got banned for being a multi and is now back on a new one.
