Thread: [Phone Verification Service | SMS or CALL | \\$1](#)

Billy - June 27, 2018, 12:03 pm

For every verification I do for you, it will be \$1 each.

Accepting Payment methods of BTC and Paypal. ?

Can do calls and texts from a REAL phone number. Completely legit Canadian numbers that should work with anything. ?

Billy - June 30, 2018, 11:03 pm

I have two numbers currently working. I can do any service you may need.

Such as Google, Whatsapp, Facebook, Instagram, or any site that requests it. Swing me a PM or post here!

Just to be clear, no refunds!

These phone numbers works and is accepted on all sites. I accept; bitcoin, & PayPal! I am using more than one number, for more info on them, PM.

Do you have NON-VOIP UK ones? and your price seems a little high in comparison with other marketplace sellers.

Yes, thats because it is a real phone number so the price isn't cheap. No VOIP bullshit.

Thats why its a struggle for me to get numbers in other countries. I live in Canada currently lol.

My Canadian number was offline for a bit but it is now up and working. Feel free to hmu!

Billy - *September 8, 2018, 2:08 pm*

NOTE: I am not always online, so if you PM me, I'll send you the BTC address and I can take care of your order within 24 hours. Since everyone is on at different time zones and stuff.

Billy - *October 3, 2018, 4:16 pm*

My numbers are not VOIP to be clear.

I have a Canadian # and a US # currently working. I will have another Canadian number which is also REAL up and running.

Billy - *March 6, 2019, 7:14 pm*

Willing to do this for \$0.50 if multiple verifications are needed.

Lexi - *March 6, 2019, 8:27 pm*

I need a text verification pm me please

Chicklets - *March 7, 2019, 6:36 am*

Sent you a PM i need this

Billy - *March 8, 2019, 8:19 am*

Sorry, not as active as much but replied to all PMs and still offering this service.

I'm only taking PayPal at the moment.
