Description

Told to me that he will complete a service for me about Bruteforce a twitter account and dox someone, get his infos...

I paid the \$200 so he told me that he started and now no reply since one day no news of anything. I've seen another scam report so I assume that I will never get my money back.

its a shame people still give money to indian scammers who have past deal disputes that are unsolved.

Fear - June 28, 2018, 8:10 am

He has 9 scam reports open and you still dealt with him ?

Man I didn't checked before.

This forum is dead and about scam reports they are useless no action will be taken.

Not google translated, I'm just dumb and used there instead of they're. I don't think that's any better. Does it make sense with that correction?
