Thread: [E-Whored \\$8,807 in 30 days with kik only](#)

Lightz. - June 28, 2018, 9:44 am

I started hardcore grinding on June 4th and was planning to hit the 10k mark in a month by July 4th, but I can't guarantee I'll make that so I just wanted to post now. I use my own private method that I came up with and I don't plan on telling anyone the method or traffic source I use so please don't DM asking me.

perk. - June 28, 2018, 6:37 pm

Lol, makes me laugh when kids say kik is dead. I've had a 4/5k month before. You just have to be creative and resourceful.

Nice earnings op.

Shef - June 28, 2018, 6:55 pm

wow this is really amazing im making around the same amount as you with cpa right now. i would like to do ewhoring as well to maximize my profits this gave me some motivation for ewhoring :) thanks

whiteshark73 - June 28, 2018, 8:23 pm

I understand that \$10-50 charges can be for sexting, nudes or pics. But how to charge a person(probably richer one) for \$300 like you did?

DaquanFromThe6ix - June 28, 2018, 8:24 pm

Would you recommend this over snapchat ewhoring,,thanks??

Jake???????????????? - June 28, 2018, 8:38 pm

I laughed at the "Cashed out to mastercard" part.

GLHF with taxes

Goanddie - June 28, 2018, 10:08 pm

Awesome! I can't believe this still works. I just heard about Ewhoring here but all threads on it are dated to 2016 downwards. Never knew the method is still rocking today.

Please can anyone guide me? I'm a noob to it.

you either make a ton with ewhoring or jack shit. Trust me it's one or the other keep trying!

mawrek - July 1, 2018, 8:37 am

is your method 100% autopilot or was it all manual?

Lightz - July 1, 2018, 10:14 am

(Jul 1, 2018 08:37 AM)mawrek Wrote: [CITE](#) is your method 100% autopilot or was it all manual?

It's a bit of both, my traffic is manual and replying to people on kik is manual, but a lot of the time my buyers will come back and buy more, so I don't really have to work hard for those sales, they just tell me they wanna buy more and send some more money. The generating of traffic is very monotonous though. I plan to try and have a bot made for it, and once I can do that, it wouldn't surprise me if I could push 20k in a month in all honesty.

ndani7 - July 1, 2018, 2:23 pm

Omfg and i though kik is dead

but now i am thinking about many traffic sources

Well good for you! its a lot of fucking money lmao! Good luck in the future :)

Afluent - July 11, 2018, 2:58 pm

Great work. I remember eWhoring back in 2011. That was the first ever money I got online. I still find viable methods of eWhoring... Such as Reddit ;)

Yeah but practice is still good, my SE skills have gotten way better compared to when I first started and it made me more money. Definitely not 8K a month, but it's still good money :) I wish I had OP's traffic source lol
