Thread: [Selling a stacked XB1 Acc / Games / DLC + More](#)

HollowSquad - June 29, 2018, 2:03 pm

I don't play XB1 as I'm committed to my full time job so I rarely got time to play so I'm sure someone can put it to better use than me

Pics of the games/ all are bought digitally

Account information

Tags random you can change it lol

Gamerscore is 24,151

It's on a 14-Day Free Trial

Just put a code in yesterday

About to be 2 year tenure

Has cod ranks and halo ranks and it has plenty dlc for said games listed in pics

Fortnite got some skins and items too

If you want more info pm me

Payments accepted PayPal/Venmo/cashapp if that's even allowed I'm not sure if not it's cool

Not sure how much an account would cost around this time I rarely check HF as is

But anyways maybe a \$250 BIN

Lmk. Wouldn't want this acc to go to waste
