Thread: [Howd you guys do on yeezy release?](#)

Obdurate - June 30, 2018, 10:09 am

How did everyone do on the yeezy release this morning? I ended up with 8 pairs and sold a few carts

Seany - June 30, 2018, 10:12 am

My cart seller fell through didn't get a pair. Probably a blessing in disguise the resell is shite.

If you reply to a post it doesn't have to have a character count.

Did you get any for personal use or are they all just to re sell?

Chip Skylark - June 30, 2018, 11:17 am

Sold ~20 carts. Profitable day.

Mac Miller - June 30, 2018, 11:19 am

Is carting hard to get into? I haven't heard about it until today. Sounds like a good way to make money

Korvo - June 30, 2018, 11:33 am

Man it's crazy how many of these shoes people buy.

I've been considering getting a pair..had a buddy offer me a cart for the butters but I just don't care for the color.

I'm guess the resale on these is pretty high.

Tunechi - June 30, 2018, 11:34 am

I couldn't cop one, Needed to do some other stuff and I missed it lol

Not for the butters actually. It's the worst colour and the highest stocked I believe.

I want to get a pair of the beluga blue/grey ones or the oreos.

I'm going to see what comes out next drop & probably get a cart and buy some. I don't want to end up buying locally and get fakes.

So, brands have a queue to obtain certain items I'll use yeezys in this instance as there was a drop this morning.

As there's such a large queue users set up bots to do this for them. The bot outputs a link which is the item in a cart (cart being basket at checkout).

As it's so hard to obtain people resell the trainers making money as there are usually only a small amount available.

If it's easier think of concert tickets or boxing.

Comprende?

Ahhh I see, I was thinking about buying some yeezys but might wait and buy a cart for the next drop then.

Sounds pretty cool.

When is it supposed to come out? I need to get in on this one.

Elitas - June 30, 2018, 11:47 am

Lets put it this way; I wouldn't wear them. ?

crown - June 30, 2018, 11:55 am

Nothing I'd match them with. I'd get just for retail. I wouldn't pay over retail for butters.
