Thread: [How many Ads have you blocked?](#)

Mint - June 30, 2018, 1:41 pm

Old computer had around 1.2 million total advertisements blocked by AdBlocker.

On my new computer:

What about you? :)

Gonna be interesting.

738k on the default Opera Ad Blocker. 28k on the Adblocker plus. I use Opera mainly but I do hop on Chrome from time to time.

Just change the URL inside of the img tag to this: <https://i.imgur.com/R3nf7Rf.png>

Takehito Morokuzu - June 30, 2018, 1:59 pm

164,402

but i have reinstalled windows a few times, so i have probably blocked many many more than that.

Sorry for it being in Norwegian, don't know how to change the language on the extension,

Followbros - June 30, 2018, 2:18 pm

keep changing computers haha. on the current one its just 137,690

Enronitis - June 30, 2018, 2:19 pm

187,783 on this computer, 458,229 on my laptop

DenizZ - June 30, 2018, 2:20 pm

243.788

I've used multiple adblock extensions though.

sHAY - June 30, 2018, 2:21 pm

And I have about 250k on adp.

That's a lot of ads lol.

Stop using adblock

use ublock origin

Blocks just as well and unlike adblock it doesn't shit on your cpu/ram usage

FroStorm - June 30, 2018, 2:32 pm

2.8k on my brand new laptop. Got it about 3 weeks ago. Wish I could check my desktop, but can't atm.

Sir-Teabag - June 30, 2018, 2:40 pm

863,893 so far. i did have my laptop reimaged a few months ago though

Fear - June 30, 2018, 2:48 pm

Some.
