Thread: [Buying upgraded users sig spaces \(\\$10 per week\)](#)

Pseudo - July 1, 2018, 4:04 am

I need as many of these as possible. You will be required to make 50 quality posts per week otherwise I am no longer going to renew my purchase.

I can have these running for months so if you're interested in selling me your signature space you're going to need to post below and I will message you. I don't want any messages as I will have a lot of requests.
