She isn't, I'm a man. She's just a friend who wants to make money and so I'm selling these for her kind of like a Middleman and we're splitting the profit. If anyone else wants a vouch copy be quick as she's doing Fuego's now.

You got it boss, I'll have her do it now. Hopefully she can get them to me before I leave for work in 30 minutes.

Riyu and Fuego. are getting the vouch copies, no more will be given out.
