Thread: [Journey to \\$1000 Adult CPA](#)

Ivex - July 2, 2018, 9:06 am

Recently, I made a thread called [Challenge Me](#) in which I asked users to give me a category of online money making to use to try and reach \$1000 as quickly as possible. The overall response pointed to adult affiliate marketing. I've had successes in non-adult CPA as seen in my [journey to \\$100/day CPA thread](#) but I have no experience in adult marketing so this is all new to me. The aim is to reach \$1000 in earnings as quickly as possible. I'm not sure how long this will take due to my lack of experience in promoting adult traffic. But we'll see.

Day 1:

- Signed up to Crak Revenue (waiting on response).
- Applied for adult offer on OGAds (waiting on response).
- Creating attractive model Instagram page which I will try and grow as a stat page.

I'm debating investing in shoutouts to speed up the process.

My Instagram Checklist:

- Collect around 100 images.
- Set up the account.
- Do hashtag research to decide on the best hashtags.
- Set them to auto post.
- Set up the account on my growth panel.
- Buy shoutouts (maybe).
- Buy power likes (maybe).
- Sign up to dating apps / add for add apps and promote the Instagram through that.

Update: Okay now I'm approved everywhere I can really get going. I'm promoting an adult dating offer: Flyrts. \$2.27 per signup. The first source I'm testing is [PopAds](#). I don't have much hope for this source but if it is successful after the targeting I have done it will be an incredibly easy way to earn. I believe PopAds is usually more successful with extreme niche and geo specific offers that pay \$30+ per offer as then you only need 1 conversion from tens of thousands of page loads because the traffic is cheap. However, I didn't want to jump into paid offers straight away.
