Thread: [How many tabs do you keep open?](#)

?elevision - July 2, 2018, 10:10 am

I usually keep just one tab open in my web browser. If I must I'll have about 4-5 max. I don't want too many tabs open because I get really anxious, and I can't multitask 10+ tabs open at the same time. I also don't want to keep too many open on this PC, to avoid them all crashing and having to restart the browser. How many tabs do you keep open on your web browser?

My Computer - July 2, 2018, 11:47 pm

Normally I only have around 5 to 7 tabs open at a time.

flavoral - July 2, 2018, 11:50 pm

Depends, could go up to around 20-25 tabs while I'm working

Sparkling Jack - July 10, 2018, 3:16 am

So do I.

I hate many windows open because too many windows makes me confused when I'm working. I usually open 5 to 8 pages.

bronzegods - July 10, 2018, 3:17 am

It used to be between 7-10 but now it has shrunk down to 3 because I read that it actually makes your quality of work poor and your mind unfocused in longer term.

I personally have two browsers open, one for more personal sites such as Facebook, and other social media's. Then, I have a work browser... which consists of no more than 16 tabs at a time.

300+

I use a session manager plugin to handle it.

I usually have 3 browsers opened, with 10 or 15 on each.

BTW, I use each browser for different stuff.

?elevision - July 30, 2018, 6:39 am

I like neverrrrr have more than 6-7 tabs open. Like I said, 4-5 is usually my scenario.

I have 2 tabs open right now. Not a lot going on :)

parwak9 - October 27, 2018, 7:18 am

I keep my tabs to a minimum. Why? Because I don't want too much stuff being open, and to stay organized!

Soaring66 - October 27, 2018, 2:08 pm

I have a lot of tabs open at the moment. About 6-7. Normally I have 5 open.

Mendelonn - October 28, 2018, 11:17 am

Mine is about 5-10 tabs open at one time.

Bastille - *October 29, 2018, 11:46 pm*

Pretty organized and this is really stressful to have many useless tabs opened for me.

When I'm in IDLE a would say around 5 tabs, but when I'm working probably 10

yomaine - *October 30, 2018, 8:57 am*

I have 4-6 tabs open at one time.
