Offering 2 vouch copies to HQ members, lmk people

DontWorryBeHappy - July 4, 2018, 7:54 pm

I would really appreciate being able to receive a vouch copy
Are these cracked or are they legitimately yours?
Is Win Server 2012 available or no? Just curious

Hope to hear back
If these are high quality and this is something you'll be doing for a long while then I would like to present an offer to you

???Berlin??? - July 4, 2018, 8:18 pm

can i get a vouch copy as mentioned if iam eligible for this
Thanks and GLWS

Theocritus - July 5, 2018, 4:01 am

sorry you both do not qualify as a vouch copy receiver. still looking lmk

Nimiq King - July 5, 2018, 9:33 am

PM'd you :) Definitely interested in the first configuration. If these look solid for my goals, I'll be picking up more
