damn okay...

and logically there's 0% chance you accept my counter offer since "100 is the lowest youll go" means you will not take anything LOWER than 100 lol.

dont really want the bytes.

well if you still want to deal, Keith only decided to buy \$60 worth so now I have \$180

rip just dropped \$100 on these and this was a complete scam or aero blue is just a dummy lol

1. he only sent \$200 worth
2. they were empty/used...

I had to pay \$200 out of pocket for my purchase ;(
