Thread: [Professional Instagram Growth | Private Groups & Networks | Available for all budgets](#)

funtela - July 3, 2018, 2:36 pm

I've noticed the pricing on powerlikes have been ridiculous lately. Paying a shitload of money towards powerlikes alone will NOT give your account the best exposure possible.

Below are some packages I've put together for all types of budgets. All packages will come with 3 free days of mentoring. I want to be able to get you guys on the right track to make sure you're benefiting as much as possible from our service!

Engagement Package #1
Private 50k+ engagement group
Private 100k+ engagement group
\$50/month

Engagement Package #2

Interested. Can you PM me? I can't initiate PMs

Dollaraire - August 1, 2018, 7:16 am

Hey! Just outta curiosity would you be able to explain what this does exactly?
I'll give you these details to put into perspective.

I have a personal account with about 1.7k followers; following 750ish.

If I purchase this service what exactly will it do for me?
My account is all organic, so I'd like to keep it that way as well.
Can you explain what your service can do for me?
