Thread: [Ace of Spades Award giceaway Drawing over with Winner picked!](#)

packofmidgets - July 6, 2018, 1:27 pm

Must be a upgraded member to enter.

Must +rep and post to be entered.

How this works is I will do a drawing on random.org to get the number of the winner.

Your post number is your entry number and yes you can reply/post mutiple times as long as you do not spam.

I do these from time to time so if you do not win this one you can just enter in the next one Enjoy!

You will win the Ace of Spades HF Award if you are the winner.

This contest will end on the 12th of this month.

Congrats to post number 46 <https://gyazo.com/b3e6edcc1d229ddb1e8af2950b501ebe>

<https://hackforums.net/member.php?action=profile&uid=151894> You are the winner!
