Thread: [Unlocking Iphone 5c](#)

**Keyboard\_Hero** - July 6, 2018, 11:09 pm

Just found an iphone 5c its locked, i've looked up multiple sites but none of the techniques worked. siri voice works but she wont go into cellur data or the like. does anyone have advice on how to get this thing unlocked?

any help is much appreciated.

Secondly the owner can login to find my iPhone and just reset it.  
Now you have a stolen brick.

Besides you posted this in the wrong forum.

And an iPhone 5c is like under 80 bucks now. Why steal such a shitty phone?

Lol just mail it back

not stolen, i doubt the owners have any intentions, knowing them she probably just bought a new one.
