Thread: [Coke Cola or Fanta](#)

Cara Delevingne - July 7, 2018, 6:40 pm

Coke Cola is nice but Fanta is nicer cos its orange and Orange is DOPE.

My heart will always lie with strawberry pepsi tho js.

What do you think?

?

Rhode Island.

Apocryphon - July 7, 2018, 6:41 pm

Coca-Cola for life. I hate Fanta.

Scooby - July 7, 2018, 6:42 pm

Mountain Dew Pitch Black. I was so happy they brought that back. I did a little dance in the gas station.

But between Coke and Fanta, Coke hands down.

You smell of Coke Cola but the warm flat coke cola that you get when you leave it out in the sun too long and the ice cubes have melted type coke cola

SIM-2090815 - July 7, 2018, 6:47 pm

I prefer Coke but in regards to liking Fanta because its orange over here in the UK its much more of a light yellow. When i went on holiday to America i loved how it was a deep orange.

Lavish Living - July 7, 2018, 6:48 pm

Root beer over both but Fanta over coke and Dr Pepper over Fanta while Mountain Dew over Dr Pepper

SIM-1349466 - July 7, 2018, 6:57 pm

Personally, Dr Pepper > any other soda. I really don't like soda overall though. Root beer and grape is gross.

kamika\$e - July 7, 2018, 6:58 pm

hack forums has reached it peak and this is what is produced.

pms - July 7, 2018, 6:59 pm

Now this post is pure quality, but for real... Fanta is for summers and coke is for winters :)

SeekerOfPandora - July 7, 2018, 7:00 pm

Cancer in a bottle or can :)

I prefer fresh water.

funtela - July 7, 2018, 7:07 pm

I've been staying away from soda but I prefer coke :)

Your post reminds me of every time I see a product that says "This product contains chemicals known to the state of California to cause cancer." Every time I see that I'm like, "But I'm not in California. I'm good. Phew, close call." lol. And just to be clear, I just assume cancer is a maybe going in to just about everything. I don't mean to downplay it. I just don't trust myself to prevent it. I mean, remember asbestos? lol

FroStorm - July 7, 2018, 11:41 pm

Diet coke. Fuck Coke. Fuck Fanta.

PublicEnemy. - July 8, 2018, 12:12 am

Always choose Coke, Fanta tastes nasty.

Revamp - July 8, 2018, 12:13 am

Coke is my choice. Fanta is ok.

jordan0159 - July 8, 2018, 1:51 am

Water is where it's at my dudes

Antisocial - July 8, 2018, 2:44 am

Definitely coke, I don't really like Fanta that much but it is really refreshing in the heat tbh.

Ice - July 8, 2018, 2:50 am

Fanta>Coke all day. There's nothing like a fanta lemon or a really hot day and then there's fanta fruit twist too which is just the GOAT

Clarence - July 8, 2018, 2:56 am

Neither, I prefer to drink lemon and lime water.

[Johnny] - July 8, 2018, 3:30 am

For me I like anything, realy.

V3N0M - July 8, 2018, 3:39 am

vodka. seriously. Much healthier.

Mizzy - July 8, 2018, 5:03 am

I don't drink Cola or Fanta that much.

But I will choose Coke over Fanta

jesuschristisfake - July 8, 2018, 5:09 am

Fiji Water > Sprite > Fanta > Garbage > Uranium Waste > Bad One Night Stand > Cola

GrandpaSherman - July 8, 2018, 5:10 am

One's a cola one's an orange flavored drink.

Fanta is super sugary but so refreshing on Ice.

Shoob - July 8, 2018, 5:10 am

Fanta tastes better in my opinion. Coke Cola makes my tongue sting if i have it too fast.

I also want to add to my point that if it's Mexican coke vs Mexican fanta then Mexican Coke will win.

I mean Coke is also super sugary drink so I don't see your point there, but I never tried anything mexican so I can't talk shit. ?

I'm also curious as to what makes Mexican Coke distinct.

Mac Miller - July 8, 2018, 5:54 am

Coke over Fanta. If I had to drink an orange Soda it would be crush.

svenpai - July 8, 2018, 11:18 am

DR. Pepper (? ? ?)

but coke > fanta

Well when you suffer cancer you start to pay more attention on what you eat/drink.

Cancer is a man disease. Many processed foods, chemicals, etc

But yeah take fun with the high takes of sugar.

DawnOfTheDead - July 8, 2018, 2:54 pm

The new coca cola vanilla are nice.. Small blicks.. really cheap but good taste!

VReignV - September 2, 2019, 7:32 pm

Fruitcake - September 2, 2019, 7:50 pm

Offgrid - September 4, 2019, 5:08 pm
Neither. I prefer natural juices from a real fruit from my garden.

ET_Advice - September 7, 2019, 2:38 am
I mix them both. 50% Coke 50% Fanta.

Linux X - September 14, 2019, 6:26 am
Both are no worth to drink. The power is in the water.

Ravensshadow - September 14, 2019, 9:08 pm
honestly prefer coke over all the others.

Fanta easy but vanilla cola is good if you every tried it they don't have it out that much anymore

SneakyHF - September 15, 2019, 12:34 am
Coke > Fanta.. anytime, but once in a while I don't mind having a Fanta

Only one thing I don't get tho.. people that mix Coke and Fanta, omg

?ystem - September 16, 2019, 7:11 am
Eh. It all really depends on the mood I'm in at the time, because I do like both of those options. Although I feel something in my siding more towards the Coca-Cola option, then again I'm also now imagining Kel telling Kenan how much he loves orange soda.

Torrent 0 - September 16, 2019, 7:28 am
Depends, i drink one of it for a period and then when i'm fed up ill switch and vice versa

Rsynced - September 16, 2019, 10:51 pm

I like coke better then fanta. You really can not compare the two though.

sem559 - September 17, 2019, 8:45 am

both are good in their own ways

Chembro12 - October 1, 2019, 4:25 pm

Had raspberry fanta a week or so ago, honestly best soft drink I'd tasted in a while. Came out of a dispenser though so not sure if store-bought would be the same.

bakeblacks - October 10, 2019, 11:01 am

Coca-Cola Peach is bomb. Could drink it all day lol

SIM-3897961 - October 10, 2019, 5:05 pm

I don't really like either they both taste really sweet I prefer Sprite or rootbeer. But I would choose coke cola.

GENT - October 15, 2019, 10:04 am

Definitely Coca Cola. Fanta is kind of good, but it doesn't even come close to Coca Cola

Alice - October 22, 2019, 7:09 am

I would say Coca-Cola, Fanta is like ok.

Saintttt - October 22, 2019, 4:24 pm

Coke over fanta any day, unless you're mixing that dirty in it :)

Elon Person - October 26, 2019, 3:45 pm

They're both so beautiful, they're going along with everything.

hayesh - November 29, 2019, 3:52 pm

I like Coke for its considerable caffeine content, but taste wise I would go with fanta

Rsynced - November 29, 2019, 7:42 pm

Coke, Fanta gives me a stomach ache.

luck? - December 5, 2019, 11:41 pm

Fanta for life, that thing's fuggin reliving me

incognito04 - December 21, 2019, 9:16 am

Fanta is the drink for the strong and healthy

FalconExploit - January 30, 2020, 9:47 am

I love both of them but cola is better

rsx - January 30, 2020, 9:54 am

Doesn't coke own Fanta? Or is that Pepsi?

I prefer Fanta over coca cola

Andeverien - January 30, 2020, 10:01 am

I like coke cola and fanta but i think coke more.

SymLink - February 1, 2020, 9:56 am

i drink like 1L of coke per day x) i guess you get your answer ^^

but Fanta is not bad, orange isnt my best flavor ^^

Zinx™ - February 1, 2020, 10:06 am

Fanta all day they brought out new flavour. You should try.

Bob the Builder - September 19, 2020, 1:58 pm

these both are nice but coke is better because it's a really chill, and have less sugar ratio as compare to Fanta

banxia - September 19, 2020, 10:41 pm

I like both of them, but I prefer Coca Cola

pimpim - September 19, 2020, 11:43 pm

Coke zero sugar is my soft drink now. I cannot take more sugar nowadays due to my age.

Nico - September 19, 2020, 11:53 pm

Why do threads like this still get replied to 2 years later.

The obvious answer here is Coca Cola. Doesn't everyone love the way it burns like sweet tasting battery acid going down your throat? Iconic.

cyote791 - September 20, 2020, 4:04 am

I love coke even though I know it is a junk drink. I can't stop drinking it when there's an occassion.

Bob the Builder - September 20, 2020, 7:55 am

Coke cola and fanta both are fizzy drinks but if you compare both of them then Fanta has a third less sugar than coke, so it is healthier

mike.vronsky - September 29, 2020, 9:57 am

Fanta is a brand of fruit-flavored carbonated soft drinks created by Coca-Cola fanta is a liittle bit sweet than coca cola and coca cola is more fizzy than fanta so coca cola is better than fanta in my opinion

AmineB - October 1, 2020, 4:49 am

Coke Cola is best one . Fanta is like tang ??

Free Kurdistan - October 1, 2020, 4:51 am

I don't really enjoy Coke anymore so it has to be Fanta for me, even though I don't really drink anything with sugar.

Anonymous23 - October 1, 2020, 8:06 am

Coca-cola ,the best,love it

Tax - October 1, 2020, 11:41 am

Even though I havent drunk soda in 2 years (ok maybe 5 times in these 2 years), I prefer Cola over anything else.

alae - October 1, 2020, 1:23 pm

I prefer Coca Cola , but I don't drink it too much , I prefer natural orange juice .

revf - October 1, 2020, 6:59 pm

Fanta varies depending on your location actually

Lightz_ - October 3, 2020, 2:24 pm

I prefer Coca-Cola, but Fanta is not bad at all! But of course Coca-Cola with ice is the best thing ever!

Ninja - October 30, 2021, 4:09 pm

I would choose the coke over fanta.

Moruq - October 30, 2021, 5:10 pm

I cant drink Fanta. Its really not good. Coke for the win

2xTheTap115 - November 27, 2021, 4:44 am
