VOUCH AND REVIEW:

Iambic, where do I start. YOU ARE A LIFESAVER!!!!

I came to Iambic with 3 days left to finish hundreds of hard Calculus I problems. He did the ones I could not, and I have an A in the class! I was amazed when he said, "Do you want me to just get them all to 100%?", didn't think there would be enough time and he did them all at a great rate!

He finished work I didn't think could get passed 80% in 2 days working only in the morning!! Very very smart. I want to use him again very soon!

Quality: 11/10

Value: 10/10

Speed: 11/10

Accuracy: 10/10

42/40 would recommend

I'm sure his writing is fabulous by the way we communicated btw! Plus he's got a nice accent so his writing is beautiful.
