For prime day , July 16, amazon has this new promotion..
as you know.. as an Amazon Prime member, you get access to Amazon Prime Video

first time Amazon Prime users get a free 10\$ amazon gift card

All you do is.Sign into Prime Video with your device

Stream a TV Show or Movie on Prime Video for the first time

Wait 3-4 days and your \$10 Amazon Credit will be applied to your account

Must be for the very first time

Ends
July 17, 2018

Enjoy

Can anyone confirm if this works?

yeah i got mine amd just used it for prime day lol
it didnt show the 10\$ in my gift card balance, but there was a separate part of the order that took
into account the 10\$ off so that was nice
