Thread: [Hard work made me rich \(Earning millions a day\)](#)

DenizZ - July 10, 2018, 6:29 pm

Hi!

I've been working hard my whole life. I saved a lot of money and valuable possessions. I never told anyone about it because I did not want to belittle anyone. Today I went to the Bank of Varrock and wow, I realised that I had even more than I thought. You gotta know that hard work pays. Maybe you can be as rich as me one day. I will be showing you the amount of money I have today, to inspire you to do the same.

Here is picture of my bank statement:

coolkoolguy - July 11, 2018, 6:14 am

It's interesting how we always equate working hard with being rich when cleaners aren't rich.

It's more of working smart hence why cheating exists.

Can these stuff be sold for IRL money. If yes what is their value ?

This entire thread is a joke, and was meant to be appreciated by veteran RuneScape players. These items with the crazy value only exist in RuneScape 3. Most of these items exist in Old School, but are worth nothing really.

BlockZero - July 12, 2018, 9:56 pm

good stuff. Wish I had that

Actually, it does have some IRL value if he decides to sell it. For example he has around 600m gold, which has a sale rate of 0.75\$/m (i think, might be wrong), so that alone is 450\$. Now if we take in consideration that he sells his other stuff, I think its safe to say that he has atleast well over 1.000\$ worth of Runescape items, if he decides to sell.

I don't think you're understanding pal, so let me clear this up. Some of these items DO NOT exist in the version Old School RuneScape (the current older, 2007 looking version). They did at a point, before RuneScape turned the game they once existed in INTO RuneScape 3. Some of these items EXIST in RuneScape 3 only. What is being pictured IS NOT RuneScape 3. This is clearly an old screen shot.

I'm fully aware that gold can be sold, as I used to spend a lot of time buying/selling on Sythe.

RAT - July 22, 2018, 5:15 pm

Lucky you. I live in the sewers under Varrock... Lucky enough to eat some rat meat... I'm an addict... Addicted to strength potions, because they do make you feel superior. I don't remember a day without a strength potion. I once had partyhats & a h'ween mask set, but had to sell them all in order to get more doses of str pots. It all started with super str pots, but times are hard.

I wish I was as rich as you.

I am sorry to hear that. Go to East-Ardougne and find Professor & Doctor mr. Guthixmore. He might be able to help you out with your addictions. I will happily pay him as well.
