Thread: [Contract system and false dispute.](#)

Boolean type - July 11, 2018, 3:13 am

Are we allowed to add negative b-rating whenever we feel like ? I got exchange done and user refused to finish contract. One day later opened fake dispute. I can prove i completed the deal.

EDIT: i sent the money once again, proofs:

His intention was to create fake contract dispute against me. Clearly this is personal revenge.

I think Omni will do something.

Vitani - July 11, 2018, 4:25 am

I'd say you have posted more then enough proof, so most likely Omniscient will take action against his account. We'll have to wait and see.

DealMaker - July 11, 2018, 5:17 am

Well, I haven't scammed this guy. I was scammed. I am the one who sent money and got nothing.

you better cough up some proof before you lose your account...

DealMaker - July 11, 2018, 5:19 am

Proof what? That I sent money? I already posted transaction ID,
He sent money to someone who messaged him on the skype. He didn't verify my skype and I have sent my pp addy on HF message. He ignored it and sent money to other paypal.

I ASK BOOLEAN TYPE TO:

Show HF message when I confirmed skype user name.

Answer why he sent money to other paypal address than I sent him in HF PM message.

I have asked for PM confirmation. You sent me PM immediately. I asked for contract edit/approve. You did it immediately. I dealt with you and you are just blatant liar.

DealMaker - July 11, 2018, 5:27 am

Here you got all messages I got about this transaction on SKYPE

<https://imgur.com/a/P3XWRLn>

I HAVE NOT CONFIRMED MY SKYPE USERNAME WITH YOU BY PM - IF I did that please show HF messages about this.

After doing transaction in same minute I have sent my pp addy to you by HF message.

You still didn't post a proof that I confirmed skype. This was you uploaded is nothing.

SO ANSWER MY QUESTION

Why did you send money to other paypal than I provided to you with my HF message?

Fucking blatant liar and scumbag. YOU have SENT ME HF PM ONLY WHEN I ASKED YOU ON SKYPE.

Who the fuck does not discuss rates/contact the exchanger and straight away send money ? NO ONE.

I posted proves that you confirmed your skype via PMS(by sending me one, when i requested it). I asked you for edit/approve contract several times BEFORE MONEY HAS BEEN SENT AND YOU DID IT IMMEDIATELY PER My REQUEST ON SKYPE. Fucking dumb blatant liar.

Anyone can see this that you are changing the story everytime.

I think Omni will do something.

HF does not get involved with this.

If the rating is real or false, no one here is responsible.

The deal was for 45\$ not 40\$

I refunded his first 38,5\$, second 40\$ and third 40\$ payment.

He blackmailed me and threatened that he will chargeback it in future so I want my money back to ETH wallet the same amount I paid to him.

Deal was for 45\$ not for 38,5 or 40\$. I don't have any money now from him.

He blackmailed me and threatened to chargeback money so I want my money back in ETH the same amount I sent him,

It's functioning as intended where the seller or the buyer can dispute the contract if they feel that they've been wronged. The topic of whether or not you've been scammed doesn't belong in this section - stick to one thread.
