They'll then be hit with eBay policy of double posting the same ad. They're very quick when it comes to those things. They'll have to wait at least 48 hours.

We don't guarantee a lifetime lock. Within 48 hours, you can easily push your listing above the one you locked.

That's already in our plans.

But thank you for the advice.

the trick is just too buy all of their stock :)

dmaphia - July 12, 2018, 1:12 am

Damn. I wish you could do this with Google serp. :P GLWS
