Thread: [Just staked my wages and won 6k+ on black jack](#)

Black Hat - July 12, 2018, 12:19 pm

I don't know whether to keep playing or buy some awards or stuff, possibly a new motorbike for my dad.

I won the previous games with a soft 17 and 9 split then won with an Ace + 10 Blackjack!

I'm so fucking happy right now ?

JAS - July 12, 2018, 12:20 pm

Dont get greedy, thats what makes people lose. Please just cash it out.

The site is probs programmed to after a big win slowly start teasing the user and to take the money, you cant beat the system apart from taking your money out of it.

Black Hat - July 12, 2018, 12:55 pm

This is my first time playing with this amount of money usually just small amounts just winging it atm.

Right I'm just going to do some small bets of \$10 and see if I can build my way up to 1k

Currently sitting at \$5.6K

Max won 6.1k

Most lost 2k.

Smalls:

\$10 - made it up to \$70 and lost
\$10 - lost
\$10 - lost

now going to try some \$20 games.

Just hit up the \$500 min bet table and have a go. You can easily hit the \$100k stack with a little fairy dust luck on your shoulders

NatiskameGi - July 12, 2018, 5:33 pm

Have you gambled the money away already ?

SIM-2914245 - July 24, 2018, 11:31 am

CASH IT OUT, people don't say " don't play with what you cant afford to lose" for no reason. now you have money you can afford to lose use that, but this was a really bad decision overall.

good luck

?

red - July 27, 2018, 2:57 pm

This thread is 15 days old so chances are they have lost a good portion of it.... Gambling is easy money but the addiction makes it a quick loss. It's funny how multiple people posted on this thread "Withdraw! Please withdraw!" and OP is just like "Lost \$500... Lost \$1K... Going to try again" like why even post a thread if you're going to gamble and lose it all with a day.

I remember I once gambled 10BTC on satoshidice...

Good old days.

I lost it all

XmysteriousX - July 27, 2018, 8:41 pm

Cash it out or u will lose evrything buy somth to your dad

WageWolf - July 27, 2018, 8:52 pm

I really hope you get your dad the bike, and something nice for yourself as well. I used to be a gambling addict, do not go there, trust me it is a bad route. It may seem harmless, but it is programmed to make you think your doing good, but in reality you are losing all of your money.
