Thread: [deleting tweets](#)

ZodiakFlesh - July 12, 2018, 4:57 pm

does anyone know of a way to select and delete all tweets at onxe instead of having to manually delete each tweet? I have thousands of tweets needing to be deleted

I'm onto you like flies to shit my man

TO OP: Yeah just Google it you fucking moron, you're on a hacker forum and you really can't Google a bot that deletes your tweets? You should be perma banned for having a single digit IQ.

already tried using the so called googlez that mentioned before so I decided to come to the only forum that I've ever used

ps I am not a hacker
