Account of the Gods - July 14, 2018, 12:03 am

they cant plan their vacations without being loud af. its freaking painful to hear. every weekend they dont work and are extra loud since morning. no matter what they actually discuss, always loud, screaming and chit

like srsly, do they like the loud sound of their voice this much? lmao.

can only feel sad for people like him

Killy - July 14, 2018, 11:40 am

Would be nice if my parents plan vacations instead of working all the time
be grateful
