I am interested in seeing if this is the method I know -- mind checking your link again? Not sure if you removed parts from it when making it so that you can post it.

Mariok - July 17, 2018, 12:10 am

same! can you please update your link

Wide Awake - July 21, 2018, 8:03 am

Update the link dude its not right

MUTA - July 21, 2018, 9:13 am

not work he is download photo with just 1000x1000 and not download vector
