Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [recently became an Administrator](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted three times! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

End Date: July 19th, 2018 @ 6:00pm, Central Time Zone

Item/Award:

PLUS an ADDITIONAL Hack Forums award if you choose to buy it now for \$1000.

(The bonus award is one of Omniscient's choosing and could be any existing HF award)

Accepted Payment Types: Bitcoin, Ethereum, Litecoin, Dash, Bitcoin Cash. I am open to other crypto coins if need be.

Bid Increment: \$25

Starting Bid: \$1000

Current High Bidder: [Horus God](#)

Buy It Now: \$1000

If you have any questions at all then feel free to post below or PM me. I am excited for some of the new features we have planned for the site.

Thanks everybody for the support. As everyone who has been active knows, it has been a very busy month on HF and that pace will not be slowing down. Support me so that I can continue to help HF grow. ?

Thanks!

Makaveli The Don - July 14, 2018, 6:59 pm

Good luck with this one Xerotic. This is a very special award so get it while you can guys!

Steve - July 14, 2018, 7:04 pm

Can vouch that HF is Xerotic's full-time job and that he has bills to pay. This award is a huge part of allowing him to focus solely on HF.

TB12 - July 14, 2018, 7:06 pm

If only I was rich, I'd buy this right away. Good luck to all bidders, its for a good cause ?

Tesla - July 14, 2018, 7:07 pm

Such a dope award, congrats to whoever buys it!

Compulsive - July 14, 2018, 7:25 pm

I told you I was going to buy this month on discord but I had to pay for some stuff, wish I could get it right now, if it's not purchased in a week or so I'll be able to buy.

(Jul 14, 2018 06:55 PM)xadamxk Wrote: [\[CITE\]](#) Can I spread it over 2 weeks or does it have to be all at once?

Depends on how much/soon the first payment can be so that I can pay my bills. ?

Unfortunately I have to time the award sale to coincide with when I pay my bills. ?

Give this man a place to sleep and eat. Help em out with this one. I'm not a wealthy fellow so this is too expensive for me, hopefully in the future I'll be able to win it with my great suggestions haha. Great award, best of luck.

Lavish Living - July 14, 2018, 8:48 pm

I pmed you and Omni about a possible arrangement, looking forward to his response.

I personally have nothing against it. I am unsure Omni's opinion on the matter.

I am very tempted ahaha.

I can just throw down \$1000 just like that and not even bat an eye.

I should probably get another GA award but I am not really that active here anymore.

Almonds - July 14, 2018, 10:50 pm

Whenever all the good karma comes my way, i'll make sure to pass on some cash to buy this award, or donate nonetheless.

You have done a excellent job of keeping things updated, as well as new additions-

I sincerely appreciate it, Xerotic!

Goodluck with the auction!

You shouldn't even ask yourself whether it is worth spending money on one award. You should ask yourself if it's worth supporting a member that has contributed a lot of key features to the forum.

He's helping the forum a lot and that deserves appreciation and support from other members.

Aside from that, if you're just interested in the award - it's hella exclusive so go for it! It's still a good deal

Potluck - July 15, 2018, 4:01 am

Would you throw in a your Bytes if we bought it at the BIN price? If so I may be interested just so I can get all those bytes Imao. Anyways you deserve it with all the hard work you've put it lately towards this site.

No, because if you go for the BIN price your receive two awards. The Xerotic Bot DNA award and then another award of Omniscient's choosing.
