Thread: [Top 500 4430 SR Peak Selling Services!](#)

tipsybug2 - July 15, 2018, 10:00 am

hello :)

I am selling numerous services, but mainly boosts up to masters. I was top 500 NA 4389 sr in season 9 and had a peak of 4430 in s10. I will sell way cheaper than the other websites and we can work out a price that seems reasonable! I have a full time job mon-friday so I cannot handle a bunch of orders at once but I promise I will get it done as quick as I can with a high win rate. I have no issue if you want me to;

- Stream your boost privately
- Duo instead of me logging into your account (depends on SR as I only have a few lower level accounts)
- Boost more than one acc at once (if you have a friend that needs boosting, I have other local top 500 friends that I know in person) PLUS I WILL GIVE A DISCOUNT
- answer as many questions as you need if you feel skeptical, do whatever I need to do to your standards prove I am legit

Alternatively to comp boosting, I can also offer;

- custom orders, for example if you want a high rating in comp elims, ffa, or just levelling in quickplay!
- personal coaching instead of boosting, I will offer a cheap price and can provide VoD analysis or hero training (I have had 3 character rank top 10 on Overbuff in seperate seasons)
- Team coaching / mentoring - I have 4 LAN wins, 6 Online Wins and numerous scrims with the highest levels of players (can provide screenshots). I have a bunch of experience I am willing to share it

Please PM me, or I can provide you with a discord! If you have any other questions do not hesitate to ask :) I Will accept Paypal, Bitcoin, Eth, or E-Transfer if you are Canadian!
