Thread: [Telegram Add 100% REAL Users To Your Group - Crytpo/Gaming/FOREX Niche Targeted!!](#)

Rod\$ - July 17, 2018, 2:07 am

Hello HF Members
New Service!

With this service, you can have real targeted traffic (telegram members/users) mass added to your group!

You just need to select another group where you want the users taken from
and your group where you want the users added too

This will be stealthy, your group won't be spammed with new user join notification!

Perfect for Crypto/FOREX/Trading/Gaming/Adult/CPA Niche channels

You can find some big groups here for a start if you like
<https://tgram.io>

2k Users = \$100
5k Users = \$200
Higher Custom Deal Contact For a Discount Price

I have also been doing CPA for around 5+ years now
If you need help on how to monetize or what niche to choose I can offer free support ;)

Worked with Rod countless times in the past, and have personally used his telegram services building my own crypto channel!
Would never hesitate to work with Rod, he's quick, efficient and incredibly friendly.
