Thread: [<\\$1.5> SMS VERIFICATION SERVICE <-> USA NUMBERS <-> REAL PHONE NUMBERS <\\$1.5>](#)

Juffar - July 17, 2018, 3:35 am

We are happy to announce that we are now offering a USA SMS verification service.

We don't feel the need for a fancy thread design because our service is simple and straight forward. We provide you with USA phone verifications both SMS and Call.

What payment methods do you accept?

We accept Paypal, Perfect money, Bitcoin and Ethereum.

How much do you charge for this service?

We offer three different pricing options.

1 Verification -> \$1.5

3 Verifications -> \$4

5 Verifications -> \$6

How do I buy your service?

All you have to do is create a contract and you will receive the phone number to your message inbox.

Do you have any other ways to get in touch for a faster transaction?

You can write to us at any of the below.

XMPP: juffar@jabb3r.org

ICQ: 742 972 341

Email: juffar@protonmail.com
